Do you have a warranty claim on a base station power cord?

Six months ago we put in a Warranty Claim on a base station power cable that went bad. For a \$1000 VR headset, you'd think that a simple, inexpensive warranty claim for a power cord would be the easiest customer service win on the planet. Decided to just order the power adapter and extension cable from Amazon. Thanks Valve. So I'm not the only one

How do I pick up a base station/repeater?

DO NOT pick up the base station/ repeater by holding the Preselector (if so equipped).
