

Container curtain wall wholesale

What are industrial curtain wall systems?

Our industrial curtain wall system provide separation,dust handling, and many other solutions. are an ideal solution to partition a space in warehouse facilities. They are an easy and cost effective solution to create separate rooms in a bigger space. Curtains do not necessarily have to be retractable.

Are warehouse curtains cheaper than a permanent wall?

Warehouse Curtain Walls are significantly cheaper than building a permanent wall. Divider curtains in the warehouse can be reconfigured to accommodate changing space requirements. Partition curtains can be customized to conceal sensitive operations or product presence. Enclosures typically consist of four sides or walls.

How do I mount a custom warehouse curtain to a wall?

There are different ways to mount the side edge of the custom warehouse curtain to the wall. If you order a curtain with velcro mounting to a wall or column, the side edges of your curtain will have a 2" wide velcro (loop) piece sewn onto the front side of the curtain. This piece runs the full height of your curtain.

What is a warehouse divider curtain wall partition?

Vinyl Warehouse Curtains are easy to clean or wash down. A more subtle application is minimizing worker distraction. Typically, warehouse partition curtains are used to solve space issue within a larger space. A warehouse divider curtain wall partition provides you with the following benefits instead of constructing a permanent wall.

Do warehouse curtain dividers need to be retractable?

They are an easy and cost effective solution to create separate rooms in a bigger space. Curtains do not necessarily have to be retractable. In some facilities, Stationary curtain Walls are needed. We have a variety of hardware to hang curtains from. For our warehouse curtain dividers, durability is key.

How do you attach a curtain to a wall?

You can either sandwich the side edge of the curtain between the wall and the metal, or you mount first the metal to the wall and then attach the adhesive velcro to the metal. If you choose a magnetic attachment to the wall, then your curtain would have magnets sewn into the side edges.
