

Georgia Solar Sunroom

Who makes patio enclosures® sunrooms?

Our knowledgeable staff has over 100 years of combined experience in sunroom design,manufacturing and installation. Owned and operated by Cleveland-based Great Day Improvements,LLC,we're proud to bring quality,custom-designed and custom-manufactured Patio Enclosures® brand sunrooms to your home.

Who makes custom sunroom & pool enclosures?

Customized to suit your needs As one of the leading sunroom and pool enclosure builders in Georgia,DC Enclosures,Inc.specializes in designing and constructing custom sunrooms,patio enclosures,and pool enclosures that enhance your home's beauty,functionality,and value.

What is a cathedral sunroom?

A resplendent design that opens up the room,a cathedral sunroom offers homeowners an elegant and regal option to match their home. An addition of a sunroom to your home that doesn't look like an attachment. Integrated sunrooms blend perfectly in with your home's exterior. The Studio sunroom is a contemporary space that ushers in natural light.

What is a studio sunroom?

The Studio sunroom is a contemporary space that ushers in natural light. The single-eave roof makes it a clean fit for any home If you can dream it,our expert team and patented technology can make it happen. The Specialty sunroom is available for your most unique ideas.

Do you offer a warranty on your sunroom?

Furthermore,we back our sunrooms with a lifetime warrantyagainst defects - so you can enjoy your sunroom sooner,with the confidence that your addition will stay comfortable and look great for decades,with no leaking,warping,or discoloration.

How long does it take to build a sunroom addition?

All sunroom additions are individually designed and engineered. Our custom sunrooms take only days(not weeks) to build on site and create very little disruption to your household routine. From the foundation and flooring all the way up to roof and the exterior,we've got your sunroom addition insulated and protected with our EcoGreen system.
