

Ireland photovoltaic container customization

Where can I find a modular building & container solution in Ireland?

With depots across Ireland, including Cork and Meath, we guarantee nationwide service. We specialise in providing versatile, secure modular buildings and container solutions tailored to meet your specific business needs. Our offerings include:

Do container homes need planning permission in Ireland?

In Ireland, planning permission is typically required for any structure intended for residential use, including container homes, regardless of size. This applies to any container designed for living, sleeping, or long-term accommodation.

Are container homes suited for Ireland's weather conditions?

Yes, our container homes are well-suited for Ireland's weather conditions. To ensure maximum comfort and efficiency, we offer three insulation options, allowing every client to find the ideal solution:

Can I use a converted shipping container for my Garden Room?

Having a converted shipping container from Shipcon for your garden room or home office offers plenty of flexibility and numerous benefits. Shipping Containers are available in 10ft, 20ft, and 40ft sizes, meaning there's a container to suit any size of space. We'll adapt the design to suit your requirements.

How do I contact Calnan containers?

Call Mike on (087) 064 2094 or email mikemurphy@calnan.ie " Working with Calnan Containers has been a great experience from start to finish. Having a requirement for a custom container for use at trade shows, the team at Calnan made the process of selecting and choosing a container with bespoke finishes as simple and straightforward as possible.

What specifications does a converted container come with?

The following is a list of specifications that all of our converted containers come with as standard. Container Construction and Modification Cutting out and removing parts of the container steel wall, to prepare construction for windows and doors fitting. Prefabrication and high-quality welding.

Converted containers from 6ft to 40ft transformed into bespoke garden rooms, pop-up bars, showrooms & more. Get a free quote.
