

# Oman base station power cabinet manufacturer

Who is Oman Electric Company?

is a leading Omani company in the electric power sector, with strong expertise in design, engineering, manufacturing and development, offering high quality products catering to the Sultanate of Oman and regional electric power distribution companies and oil & gas operators.

Who makes switchgear equipment in Oman?

Al Hassan Switchgear Manufacturing Co. LLC (AHSG) & Al Hassan Power Industries LLC (AHPI) are the largest manufacturers of Switchgear Equipment in Oman with manufacturing facilities at Muscat. AHSG manufactures complete range of LV Switch Boards while AHPI manufactures MV Switch Boards and Control & Relay panels.

Who is a certified Omani company?

We are accredited with ISO 9001:2000 Quality Management System. We are the only Omani company accredited with KEMA, KEUR certification which is a hallmark of recognition for both the product quality and the whole process quality. All our business processes are built upon the latest Enterprise Resource Planning (ERP) software.
