

How can suppliers and contractors participate in qatarenergy tendering process?

Suppliers and Contractors registered with QatarEnergy can participate in QatarEnergy tendering process by buying the Tender document within the published Tender Issue Period as per instructions given with each Tender advertisement. For more information on registration with QatarEnergy, please visit Vendor Registration page.

How can a manufacturer get a contract with qatarenergy?

The manufacturers from the PML can become eligible for contract opportunities to supply their selected products to QatarEnergy via the EPIC contractors. Notes: The PML list is for manufacturers only and not for agents, resellers, representatives and contractors. The PML registration is different from the Vendor Registration.
