

What is a trade tax code in Seychelles?

In Seychelles it is published as Schedule 3 of the Customs Management (Tariff and Classification of Goods) Regulations 2013 and is divided into 99 Chapters. The first 6 digits of the code are common to all countries that use it, and the last 2 digits are allocated by Seychelles policy makers. This code gives the rate of Trades Tax applicable.

What are Seychelles' import and export regulations?

Traders engaging in import and export activities in Seychelles must remain vigilant regarding the regulations surrounding prohibited and restricted goods. The government has established a comprehensive list of items that are either banned from trade or subject to stringent controls.

Who manages the Customs Division of the Seychelles revenue commission?

The Customs Division of the Seychelles Revenue Commission is managed by the Commissioner of Customs and consists of seven sections as follows: The primary responsibility of the airport passenger terminal customs team is to enforce border protection.

What is the classification of goods in Seychelles?

The classification of goods is a critical first step in the tariff and duty determination process. The Harmonized System (HS) in Seychelles is utilized to categorize products based on their nature and usage. This classification impacts the applicable rates of tariffs and duties, which can vary significantly depending on the product type.

What is the HS code in Seychelles?

In Seychelles, the HS Code is published under Schedule 3 of the Customs Management (Tariff and Classification of Goods) Regulations 2013 and is divided into 99 Chapters. The first 6 digits of the code are universal whilst the last 2 digits are allocated by relevant authorities in Seychelles.

Why is customs compliance important in Seychelles?

By ensuring that all paperwork is in order and that goods comply with regulations, traders can efficiently move through the customs procedures in Seychelles. Ultimately, compliance with these customs procedures not only avoids legal complications but also supports the smooth flow of trade in the region.
