

# Switzerland with an outdoor power bank sitting through customs

Does Swiss customs provide information on foreign regulations?

Swiss Customs cannot provide any information on foreign regulations for legal reasons. You will find a selection of foreign customs authorities [here](#). The transporter then reports to the Swiss customs office. Merchandise can be imported solely at certain customs offices -&gt; note the customs office opening hours.

How do I declare goods imported into Switzerland?

Any goods imported into Switzerland must be declared to the Federal Customs Administration (FCA). This declaration can be made either in writing or electronically, notably via the e-dec system, which allows for the electronic submission of customs declaration forms.

What happens if you don't comply with Swiss customs regulations?

Failure to comply with Swiss customs regulations may result in various sanctions, such as: Administrative fines: imposed for minor infractions or errors in declarations. Seizure or destruction of goods: in case of importation of prohibited products or goods that do not comply with Swiss standards.

How does customs clearance work in Switzerland?

Once the goods arrive in Switzerland, they are subject to the customs clearance process. This involves the verification of documents, the payment of applicable taxes and duties, and ensuring that the goods comply with Swiss regulations.

How does E-Dec work in Switzerland?

Switzerland uses the e-dec system for the electronic submission of customs declarations. This system facilitates the customs clearance process and allows for efficient management of customs formalities. Companies can also rely on service providers, such as freight forwarders or customs brokers, to assist them with these procedures.

How does Switzerland import goods?

When entering Switzerland, all personal belongings and household goods are subject to inspection by Swiss Customs. Travelers must complete a detailed customs declaration form that lists all items being imported. This gets submitted upon arrival along with your passport. Switzerland allows duty-free import of personal items up to a certain value.
